Critique your fellow “critics”

Artist: _____.

How well did your art critiques' comments help you in the selection and development of your thumbnail design into a stronger poster design?

Critique your critic's criticism.

- Rate critic's ability to identify strengths (or weaknesses) of your design(s).
- Rate the critic's ability to provided creative criticism which you found useful.

Keep in mind. If you didn't provide your client with strong designs to begin with, their “creative criticism” may have been harsh, but justified.
